WJ95

HASLER'S ANSWER TO YOUR BUSINESS MAILING NEEDS.

Save money on ink refills. Our high capacity ink cartridges yield more imprints at a lower cost per imprint. In fact, you can count on over 140% more impressions than our closest competitor.

Great for offices with multiple users, you can secure your system's funds with 4-digit PIN password protection.

Apply exact price postage with the integration of Hasler's full line of scales and weighing platforms.

One-step processing thanks to technology that automatically moistens your envelopes and adjusts for envelope thickness.

Save time and increase productivity

by folding, inserting, sealing, and metering your mail all in one pass when interfaced with Hasler's line of folder/inserters.

Eliminate hurried trips to the post office by electronically replenishing postage funds using Hasler's TMS service.

Eliminate the need to manually feed individual meter tapes. With the automatic tape dispenser, you can program up to 99 labels at the touch of a single button.

Ensure a clear, crisp, no mess imprint every time thanks to HP inkjet technology.

Meet government standards for digital meters with USPS IBI compliant indicia.

You can also take a specialized approach with all your mail jobs.

With eight pre-loaded advertising dies and the ability to load two additional customized ad dies, you can use your mail to reinforce a marketing message or strengthen your brand. Eight mail class dies make for easier processing of your mail, and five user programmable text messages give you the ability to personalize mail pieces.
